**Speaker Bio:**

John Viserto has been in the power generation industry for over 26 years. First 2 years was spent as a project manager for a local Caterpillar dealer. In April 2000 he moved into a technical support/sales position working with the consulting engineering community in the tri state area helping to provide information and design assistance. He has been servicing that market for the past 24 years. John accepted a position at Cummins in

June of 2021 continuing his role of technical support/sales for the consulting engineering community in the tri state area. John holds an MBA from Dowling College, a Bachelors degree in Business Administration from St Josephs College and an Associates degree from Suffolk Community College.
